

**WE CAN ALL BE  
MATHS PEOPLE  
WITH MATHLETICS.**

**MATHS** makes sense  
with **MATHLETICS.**

**MATHLETICS** shows me when  
I can't do something – YET!

– and then helps me to improve.

**Working together** helps us learn

My teacher and I  
collaborate with  
Mathletics to  
make me a  
better learner.  
We're a team!
